2. IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW CARD ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens a Card Account. What this means for you: When you open a Card Account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see a copy of your driver’s license or other identifying documents.

3. Activate Your Card

You must activate your Card before it can be used. You may activate your Card by calling 1-844-441-8671, or by downloading the PAYOMATIC mobile application. Visit get.payomatic.com/mobile or go to your app store. You will need to provide personal information in order to verify your identity.

4. Personal Identification Number

You will not receive a Personal Identification Number (“PIN”) with your Card. However, you will be prompted to select a PIN when you activate your Card. See the activation instructions in the “*Activate Your Card*” section. You should not write or keep your PIN with your Card. Never share your PIN with anyone. When entering your PIN, be sure it cannot be observed by others and do not enter your PIN into any terminal that appears to be modified or suspicious. If you believe that anyone has gained unauthorized access to your PIN, you should advise us immediately following the procedures in the paragraph labeled “*Your Liability for Unauthorized Transfers.*”

5. Authorized Card Users

You are responsible for all authorized transactions initiated and fees incurred by use of your Card. If you permit another person to have access to your Card or Card number(s), we will treat this as if you have authorized such use and you will be liable for all transactions and fees incurred by those persons. You are wholly responsible for the use of each Card according to the terms and conditions of this Agreement.

6. Secondary Cardholder

You may not request an additional Card for another person.

7. Your Representations and Warranties

All ATM transactions are treated as cash withdrawal transactions. You may use your Card at an ATM and withdraw funds from a participating bank (Cash Advance). *ATM owner-operators and participating banks may impose their own lower limits on cash withdrawals.

9. Loading Your Card

You may load funds to your Card at any time. You will have access to your direct deposit funds on the effective date of the deposit as indicated by the payor. You will have access to the funds immediately after loading via Western Union, or Green Dot MoneyPak®. Personal checks, cashier's checks, and money orders sent to the Issuer are not an acceptable form of loading. At our discretion, we may allow a load payment in excess of the limits disclosed below, including the maximum value limit, to post to your Card Account. However, if such a load payment is permitted to post to your Card Account on one occasion, there is no guarantee that any load(s), in any form, in excess of the disclosed limit will be permitted in the future. All checks and money orders sent to the Issuer for Card loading will be returned unless the full amount may be applied towards a negative balance, in which case the check or money order may or may not be loaded to the Card at the discretion of the Issuer.

The maximum value of your Card is restricted to \$15,000.00. These are the limits associated with loading your Card:

Transaction Type		Frequency and/or Dollar Limits*
Direct Deposits		4 times per rolling 24 hour period \$.01 - \$15,000.00 per rolling 24 hour period

See the "Loading Your Card" section for more details about this policy.</p> <p>** Third party money transfer services used to load funds to your Card Account may impose their own per transaction, daily, weekly or monthly limits on the frequency or amount of cash you can load to your Card Account.</p>		

10. Preauthorized Transfers

Your Card Account cannot be used for preauthorized direct debits from merchants, Internet service or other utility service providers ("Merchants"). If presented for payment, preauthorized direct debits will be declined and payment to the Merchant or provider will not be made. The Issuer's bank routing number and the 13 - digit Direct Deposit account number are to be used only for the purpose of initiating direct deposits to your Card Account. You are not authorized to provide the Issuer's bank routing number and the 13 - digit Direct Deposit account number to anyone other than your employer or a payer.

11. Using Your Card/Features

The maximum value of your Card is restricted to \$15,000.00. These are the maximum amounts that can be spent on your Card:

Transaction Type	Frequency and/or Dollar Limits
Card Purchases (Signature)	4 times per rolling 24 hour period, up to \$2,525.00 per rolling 24 hour period
Card Purchases (PIN)	50 times per rolling 24 hour period, up to \$2,525.00 per rolling 24 hour period
Card to Card Transfer	2 times per rolling 24 hour period, up to \$2,500.00 per rolling 24 hour period
Card to bank account	2 times per rolling 24 hour period, up to \$2,500.00 per rolling 24 hour period

The Card may be used to purchase or lease goods or services everywhere Mastercard®, Maestro®, Accel®, cards are accepted as long as you do not exceed the available value of your Card Account and other restrictions (see examples described below) do not apply. Some merchants do not allow Cardholders to conduct split transactions for which the Card is used as partial payment for goods and services and the remainder of the balance is paid with another form of legal tender. If you wish to conduct a split transaction and it is permitted by the merchant, you must tell the merchant to charge only the exact amount of available Card Account funds to the Card. You must then arrange to pay the difference using another payment method. Some merchants may require payment for the remaining balance in cash. If you fail to inform the merchant prior to swiping or dipping your Card that you would like to complete a split transaction, the transaction may be declined.

If you use the Card at an automated fuel dispenser ("pay at the pump"), the transaction may be preauthorized for an amount up to \$100.00 or more. If the Card is declined, even though you have sufficient funds available, you should pay for your purchase inside with the cashier. If

you use the Card at a restaurant, a hotel, for a car rental purchase, or for similar purchases, the transaction may be preauthorized for the purchase amount plus up to 20% or more to ensure there are sufficient funds available to cover tips or incidental expenses incurred. A preauthorization places a hold on those available funds until the merchant sends the final payment amount of your purchase. Once the final payment amount is received, the hold on the pre-authorized amount will be removed. It may take up to ten (10) days for the hold to be removed. During the hold period, you will not have access to the preauthorized amount.

You do not have the right to stop payment on any purchase or payment transaction originated by use of the Card. If you authorize a transaction and then fail to make the purchase of that item as planned, the approval may result in a hold for that amount of funds for up to thirty (30) days. All transactions relating to car rentals may result in a hold for that amount of funds for up to sixty (60) days.

If you use the Card number without presenting the Card (such as for mail order, telephone, or Internet purchase), the legal effect will be the same as if you had used the Card itself. **Card Account restrictions include, but are not limited to:** restricted geographic or merchant locations where there is a higher risk of fraud or illegal activity; restrictions to comply with laws or prevent our liability; and other restrictions to prevent fraud and other losses. For security reasons, we may limit the amount or number of transactions you can make on the Card. You may not use the Card for illegal gambling or any illegal transaction. **We may increase, reduce, cancel, or suspend any of the restrictions or add new ones at any time.** Your Card cannot be redeemed for cash.

Each time you use the Card, you authorize us to reduce the available value of the Card Account by the amount of the transaction and any applicable fees. Except as may be permitted from time to time in accordance with the optional Account Guard feature, described in more detail in the following section, Cardholders are not permitted to use the Card to purchase or lease goods or services in amounts in excess of the available funds amount in the Card Account balance whether made through an individual transaction or a series of transactions. If a transaction occurs which exceeds the amount of available funds in the Card Account balance, whether or not due to use of the optional Account Guard feature, the Cardholder remains fully liable for the amount of the transaction and any fees, as applicable.

Optional Account Guard Feature ("ACCT Guard"): As described above in the section labeled, "Using Your Card/Features," a Cardholder generally does not have the right to make transactions or incur fees in amounts exceeding the available balance of the Card Account. However, at the Program Manager's discretion, and as a courtesy, ACCT Guard eligible Cardholders may be able to complete selected transaction types (described below) even if the value of the transaction exceeds the Cardholder's available Card Account balance. To be eligible, a Cardholder must have received at least three hundred dollars (\$300.00) in value loads by either direct deposit or ACH in the thirty-five (35) day time period prior to the attempted purchase transaction. We reserve the right to deny any transaction if available funds in the Card Account balance are insufficient to cover any transaction, fees, or other charges.

The types of transactions qualifying for the ACCT Guard feature are limited to: Domestic and International ATM cash withdrawals and purchase transactions made with or without use of a PIN that create up to a ten-dollar (\$10.00) negative Card Account balance. There are no fees assessed for the ACCT Guard feature, but any standard transaction fee associated with the cash withdrawal or purchase will be assessed.

It is important to keep track of the value in the Card Account because it is the Cardholder's responsibility to determine if a negative balance has been created.

If a transaction is approved due to the use of ACCT Guard and it creates a negative balance in the Card Account, you are fully liable to us for the amount of the transaction and any applicable fees. You are responsible for depositing sufficient funds to bring the Card Account balance current within sixty (60) days of the Card Account balance becoming negative. The first, or any subsequent value loads (including any value load that is attributable to the favorable resolution of a dispute claim, or other credit we authorize) made to the Card Account following the Card Account balance becoming negative will be automatically applied first to curing the negative balance. Any funds remaining from such value load(s) will then be made available for your use. Failure to make such value load(s) to cure the negative balance within the 60-day time frame described above will result in deactivation of the Card and any Secondary Cards and/or your ineligibility for the ACCT Guard feature.

If you fail to cure the negative balance within ninety (90) days of the Card Account balance becoming negative due to the use of ACCT Guard, then the Card Account will be closed.

You acknowledge that a negative balance in the Card Account does not constitute an open-end line of credit. Even if we permit a negative balance on one or more occasions, we do not thereby obligate ourselves to permit a negative balance on any future occasion, and we may refuse to pay a negative balance for you at any time, even though we may have previously paid negative balances up to the ten-dollar (\$10.00) ACCT Guard limit. We have no obligation to notify you before we approve or decline a transaction that would result in a negative balance in the Card Account. Items will be approved or declined in the order they are received at the data processor.

12. Returns and Refunds

If you are entitled to a refund for any reason for goods or services obtained with your Card, you agree to accept credits to your Card for such refunds and agree to the refund policy of that merchant. The Issuer or The Pay-O-Matic Corp is not responsible for the delivery, quality, safety, legality or any other aspects of goods or services you purchase from others with a Card. All such disputes must be addressed and handled directly with the merchant from whom those goods or services were provided.

13. Card Replacement

If you need to replace your Card for any reason except at Card expiration, please contact 1-844-441-8671 to request a replacement Card. You will be required to provide personal information which may include your 16-digit Card number, full name, transaction history, copies of accepted identification, etc. There is a fee for replacing a lost, stolen or damaged Card. For information about the fee, see the section labeled "*Fee Schedule*." A fee may also be assessed for expedited delivery of an additional Card; for more information about the delivery options and applicable fees, see the section labeled "*Fee Schedule*."

For information on replacing an expired Card, see the section below labeled "*Expiration*."

14. Expiration

Your Card will expire no sooner than the date printed on the front of it. **The funds on the Card do not expire.** You will not be able to use your Card after the expiration date; however, a replacement Card will automatically be mailed to you prior to the expiration of the soon-to-expire Card. If you need a replacement Card for any reason other than the Card's expiration, you may request one at any time by following the procedures in the section labeled "*Card Replacement*," however, there is a Card Replacement-Lost/Stolen fee. For information about the fee, see the section labeled "*Fee Schedule*."

15. Transactions Made In Foreign Currencies

If you obtain funds or make a purchase in a currency other than the currency in which your Card was issued, the amount deducted from the available balance of your Card Account will be converted by Mastercard International Incorporated into an amount in the currency of your Card. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Mastercard International Incorporated from the range of rates available in wholesale currency markets for the applicable central processing date, which may vary from the rate Mastercard International Incorporated itself receives, or the government-mandated rate in effect for the applicable central processing date. If you obtain funds or make a purchase in a currency other than the currency in which your Card was issued, the Issuer may assess an additional foreign currency conversion fee of 3% of the transaction amount and will retain this amount as compensation for its services. Transactions made outside the fifty (50) U.S. states and the District of Columbia are also subject to this conversion fee even if they are completed in U.S. currency.

16. Receipts

You should get a receipt at the time you make a transaction using your Card. You agree to retain, verify, and reconcile your transactions and receipts.

17. Card Account Balance/Periodic Statements

You are responsible for keeping track of the available balance of your Card Account. Merchants generally will not be able to determine your available balance. It's important to know your available balance before making any transaction. You may obtain information about the amount of money you have remaining in your Card Account by calling 1-844-441-8671. This information, along with a sixty (60) day history of Card Account transactions, is also available on PAYOMATIC mobile app through your app store or by going to get.payomatic.com/mobile. You also have a right to obtain a sixty (60) day written history of Card Account transactions by calling 1-844-441-8671 or by writing to P.O. Box 551617, Jacksonville, FL, 32255.

You will not automatically receive paper statements.

18. Fee Schedule

All fees incurred will be deducted from your Card Account balance, except where prohibited by law. In the event your Card Account balance is less than the fee amount being assessed, the entire Card Account balance will be applied to the fee amount, and any unpaid fee amounts MAY RESULT IN THE FEE BEING PENDED UNTIL A VALUE LOAD IS RECEIVED, AT WHICH TIME THE FEE AMOUNT WILL BE DEDUCTED FROM YOUR CARD ACCOUNT. If there is a Pended Fee on your Card Account, any subsequent deposits or loads into your Card Account will first be applied to any negative balance and any Pended Fees. This means your remaining Card Account balance will be less than what you deposited into the Card Account. You may view Pended Fees in the in the PAYOMATIC mobile app through your app store or Visit: get.payomatic.com/mobile under Transactions history or hear Pended Fees via the telephone automated service in the pending section of the transaction history.

Zero Liability does not apply to Mastercard payment cards that are used for commercial purposes, or anonymous prepaid cards (until such time as the identity of the cardholder has been registered with us). In the event that Mastercard Zero Liability does not apply, if you notify us within two (2) business days after you learn of any unauthorized transactions, you can lose no more than \$50.00 if someone used your Card without your permission. If you do not notify us within two (2) business days after you learn of the loss or theft of your Card and we can prove that we could have stopped someone from using your Card without your permission if you had promptly notified us, you could lose as much as \$500.00.

Also, if you become aware of and/or your statement shows transactions that you did not make, notify us at once following the procedures stated in the paragraph labeled "*Information About Your Right to Dispute Errors.*" If you do not notify us within sixty (60) days after you become aware of the transaction and/or after the statement was made available to you, you may not get back any value you lost after the sixty (60) days if we can prove that we could have stopped someone from taking the value if you had notified us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods. If your Card has been lost or stolen, we will close your Card Account to keep losses down and will send a replacement card. There is a fee for replacing your Card. For information about the fee, see the section labeled "*Fee Schedule.*"
